Sir:

I am the lead inventor listed in application 09/916,215, APPARATUS, METHOD AND SIGNAL SET FOR MONOLINE SERIAL INTERFACE. It appears that a patent is about to be issued.

At the time of the July 25 2001 filing the patent was not assigned. Subsequently it was assigned to a third party.

When the patent is issued, I hereby request that the original patent certificate be sent to me.

Respectfully,

John C. Duté
